M. E. Rogers of Benson ward is the proud owner of a five passenger Dodge automobile which he purchased from the Blair Motor Company.

Bluebird Saturday Special—Salted peanuts 20 cents per pound.—Adv.

Murdock's Special for Saturday—We offer a special chocolate dipped soft chewing caramel nut and assorted flavors for 20 cents per pound.—Adv.

Robert M. Smith has returned from the coast where he went to attend the Western Lumbermen's Convention at Portland on February 22. He reports a most pleasant trip while away and he says that his brother W. M. Smith will not return until next week, having went down to California to visit with John R. Ed-

wards and family.

A number of relatives of the late Mrs. Elia Griffin Robinson attended the funeral at Richmond yesterday afternoon. Among them being J. P. Griffin and family and J. W. Harrison and family.

Postmaster J. M. Blair received advices from Washington yesterday stating that his bond had been approved and that his commission had been signed on February 29 and it reached here on last night's mail.

Miss Iona Smith gave a swimming party at the B. Y. swimming pool Friday evening. A very enjoyable time was had by all. Coach Olatie chaperoned the party.

P. D. Kline is having more trouble on his electric interurban line between here and Ogden. There were no through trains yesterday, the cars being stuck in the snow on the divide west of Mendon.

Better Babies services will be observed at the Presbyterian Church on Sunday at 7:30 p. m. with an address by Dr. W. B. Secrest, together with special music. Mr. Wittenberger will preach at 11 o'clock.

Miss Clara Kramer, primary supervisor of the county schools, met before the normal class at the Brigham Young College yesterday and talked on education, what it is, its aim, efficiency and what is the greatest thing a pupil can do.

The A. C. B. is issuing this week a thirty-two page bulletin on farm appliances and farm handicraft. This bulletin is prepared by Prof. Le-

DODGE BROTHERS MOTOR CO.

The all steel body and its beautiful finish are peculiar to this car, and the one is made possible by the other

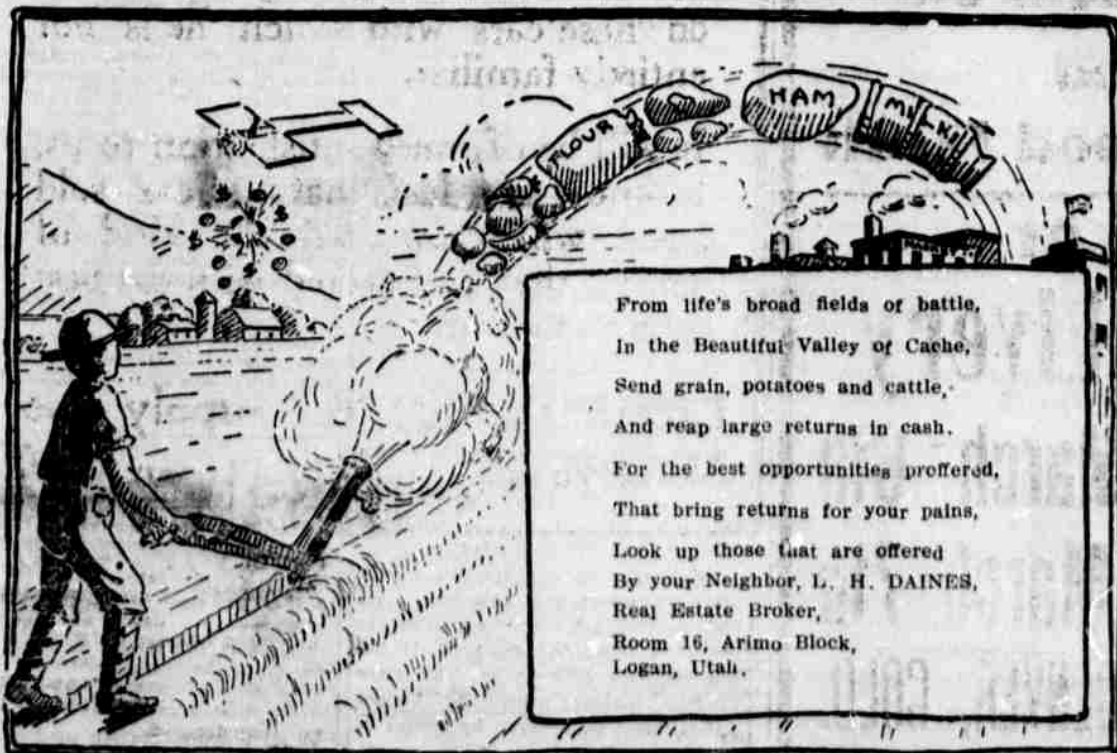

If a wooden frame were used it would not be practical to apply the enamel which gives the body its lustrous finish. The body is electrically welded into a unit. Then the enamel is baked on at a high temperature.

The Gasoline consumption is unusually low

Price of Car \$875.00

BLAIR MOTOR CO.
LOGAN, UTAH.

Grande Humphreys of the farm mechanics department, and Prof. J. C. Hogenen of the extension department, and will be found very helpful and practical in all boy scout and junior vocational work. All farmers will find in it valuable instruction on such subjects as rope splicing, mapping out plans of farm grounds, soldering and measuring water with weirs.

From life's broad fields of battle,
In the Beautiful Valley of Cache,
Send grain, potatoes and cattle,
And reap large returns in cash.
For the best opportunities proffered,
That bring returns for your pains,
Look up those that are offered
By your Neighbor, L. H. DAINES,
Real Estate Broker,
Room 16, Arimo Block,
Logan, Utah.
